### NOTES:

\*All pricing quoted above is current at the date of issue of the quote.

\*Standard IATA rules and regulations apply. If the volume chargeable weight is more than the actual weight the greater will be charged (1cbm = 167kgs) \* Additional MPI or Customs charges will be passed on at cost.

\*We will endeavour to maintain the above pricing, but quotation is subject to any additional industry-based increases that are beyond our control.

\*A FX Collection fee of 2.5% occurs on Freight and overseas charges if cargo moved on Freight Collect basis.

\*Additional fees may apply in conjunction with standard rates

\*Associated costs from NZ Customs, MAF and Health are not included and will be on charged

\*NZ Post must ensure compliance with all applicable NZ laws and regulations

\*FAF to be charged at applicable rate at time of booking

\*Port Service Charges can be increased at any time without notice. IFS will do their best to inform you of these increases as soon as possible however these costs will be passed on immediately due to shipping lines applying increases to IFS without notice.

\*Associated DG charges may apply and will be on charged

\*Exchange rates are indicative and are subject to change at the time of shipment.

\*Departure / Transit times are subject to carrier capacity and availability of equipment

\*Duties and Taxes including Customs Transaction Fee (Government charges) will be passed on at cost where applicable.

### Documentation Authority

In order to complete the above service, it may be necessary for NZ Post to prepare your shipping documentation. Acceptance of the above quotation constitutes authority for NZ Post to sign such documentation on your behalf.

## Frequently Asked Questions

**Q:** I have large shipments and am a known shipper can I deliver these shipments direct to the CTO?

**A:** This is an option if freight is unitised, you are a known shipper and liaise with NZ Post to receive AWB documentation. Please contact us for more information

**Q:** What contingencies are there if a flight is cancelled?

**A:** Contingencies are in place including the use of alternative aircraft or alternate day flights. We will contact you if any cancellations occur

**Q:** Am I able to forward book capacity and secure it?

**A:** We have options available to do this, please contact us for more information

**Q:** Will you still be injecting directly into other ports in Australia?

**A:** For commercial shipments we still inject directly into MEL, BNE, PER
